

Greetings on behalf of the Presbytery of Lake Huron's Mission Coordination Committee (MCC)! We appreciate your commitment to serving God by serving your community and the world beyond through mission work. Guided by the Matthew 25 call, our presbytery is committed to recognizing the Divine image in all of humanity as we love and serve our siblings in whatever ways we can. As part of our effort to understand the ways our churches are living out this call, both locally and internationally, we kindly request your participation in this brief survey. Your responses will provide valuable insights into the diverse ways our churches are impacting lives in our communities and help the MCC as we seek connect churches throughout the Presbytery who are engaged in similar ministries.
