Dear Presbytery of Lake Huron,
On behalf of the Session and congregation of the Presbyterian Kirk of the Lakes in Houghton Lake, Michigan, I would like to thank you very much for your recent $2500 Technology Assistance grant that we received. This grant has been used, along with additional funds from our congregation, to purchase the computer, TV, software, and other hardware needed to support the pastoral care needs of our congregation.

The recent retirement of the Rev. Karen Blatt, our temporary supply minister, required our Session to come up with new and innovative ways of meeting our congregation's ongoing pastoral care needs. This equipment and software will provide us with a technology-based approach not only for supporting and supplementing our worship and Bible study needs and programs, but also for conducting Session and other church-related meetings and events virtually.

Thank you again for your financial support in making this opportunity possible for us.

In God's Service,

Thomas B. Glennan
