"Trusting the God Who Promises"
2 Samuel 7
Dr. Clay Smith

1. **God Who Comes Near ~** Where do you see evidence in your life that God is "a God who comes near"? Share a time when you sensed His presence in your wandering, pain, or confusion.

2. **God Who Gives ~** The sermon emphasized that God is a giver. How does this truth challenge or reshape the way you relate to Him—especially in times when you feel pressure to earn His favor?

3. **God Who Speaks Trustworthy Promises ~** We often struggle to trust God's promises when we feel like our circumstances don't match His Word. What promises of God are hard for you to believe right now? How can you hold onto His Word when "the picture lags behind the voice"?

4. **God Who Keeps Covenant Love ~** God's covenant love is faithful even when we fail. How does that encourage you in your daily walk with Christ? Are there areas of sin or shame where you need to receive and rest in His steadfast love?
