Summer 2023 Positions

Hello! We are Centre Street Church, committed to making an impact on people's lives, our communities and in the world. How do we do that? By leading people to Jesus and helping them become fully devoted followers of Christ. That's the driving purpose behind everything we do.

At our core, we are a network of small communities. These small communities function as extended families that support and challenge one another through discipleship. All of these communities networked together make us united as one large church that gathers weekly for worship over services 9 across 5 campuses.

We are thrilled to announce that we are planning to hire a number of summer students. Hiring may be dependent on securing government funding.

As a faith-based organization serving our community, we are seeking compassionate, motivated and service-oriented students to join our team and contribute to our mission. If you have a heart for using your skills and abilities to make a difference in people lives, and are excited about how your experience can help us accomplish our mission of introducing people to Jesus and helping them become fully devoted followers of him, we would love to talk to you.
