

Director of Christian Education

All Saints' Episcopal Church in Fort Worth seeks a hard-working, passionate priest to oversee, support, and grow all Christian Education programming. In addition to providing thought-provoking adult formation, All Saints' has a heart for children and youth, valuing them as crucial members of the priesthood of all believers. For our youngest children, All Saints' runs the longest continuously run Godly Play program in the world. After confirmation, our teenagers go on pilgrimage to Canterbury, marking the beginning of their lives as adults in the Church. Our middle and high school youth groups which meet on Sunday evening are vibrant, rapidly growing, and preparing for mission trips this summer.
