## CPA Hacks Webinar Action Guide

### The 3 things you should do now (prior to the webinar) to maximize the results you get from the webinar.

- 1) Make a note on your calendar, schedule, or phone of the workshop date & time so that you don't miss it. The training is live and there is NO RECORDING.
- 2) Participate. You will receive more from the webinar if you participate and fill out the items in this action guide.
- 3) Make sure you implement at least 1 thing that you learn on the webinar.

**NOTE:** This action guide can be filled out online in your browser, or you can print it out

**IMPORTANT:** You need to be on the webinar live to receive the free flashcards.

The flashcards are a \$300 value that you'll get completely free.

**NOTE:** The following 3 questions should be answered before the webinar begins.

## **Question #1: How fast do you want to finish all 4 CPA exams?**

Write in your answer below

## **Question #2: What benefits will you get from passing the CPA exams?**

List all the benefits you can think of, such as financial, mental, emotional, etc

## **Question #3: What are the disadvantages of not passing the CPA exams?**

List the negative things that will or won't happen if you don't pass the CPA exams

NOTE: The following questions should be filled out **during** the webinar as we go through the content.

Challenge #1 of the CPA exams is:

The solution to challenge #1 is:

---

Challenge #2 of the CPA exams is:

The solution to challenge #2 is:

---

Challenge #3 of the CPA exams is:

The solution to challenge #3 is:

---

Use the area below for any notes or "aha moments" you have during the webinar.
