

**Rae-Anne Pinckney, LMSW, MPH**

**Manager, Community Benefit**

**Wellstar Center for Health Equity**

**Community Health**

Rae-Anne is a licensed master social worker and has spent her career serving diverse communities in medical care settings by assessing the psychosocial needs of renal and heart failure populations.

Rae-Anne holds both a bachelor's and master's degree in social work. Through her time working in patient care she realized the need to address larger systemic issues and pursued a second master's degree in public health, which she completed in May of 2022.

Rae-Anne is the Manager of Community Benefit for Wellstar Community Health where she oversees the management and delivery of community health programs, to include fostering strong partnerships and operationalizing department goals that support strategies outlined in Wellstar's Community Health Needs Assessment and Implementation Plan.
