

**Steve Ramsey, MSM, CEM, EMHP**  
Manager Emergency Management, Georgia Market,  
Atrium Health Navicent

Steve Ramsey is a homeland security and emergency management specialist with 18 years of professional and military experience. Currently, he is the Emergency Manager for the Georgia Market consisting of Atrium Health Navicent in Macon, GA and the Atrium Health Floyd in Floyd, GA healthcare systems. Additionally, Steve is the Healthcare Coalition Coordinator for the Region F Healthcare Coalition.

Mr. Ramsey ensures the proper mitigation, planning, response, continuation of operations and recovery for a healthcare system that includes a Level 1 Trauma Center, 6 additional hospitals, one long-term care community, one free-standing Emergency Department and numerous medical office buildings.

Mr. Ramsey is also a member of the United States Army Reserve. In his current role, MAJ Ramsey advises and assists on, or reestablishes and directs, the development of indigenous emergency service assets in the preparation for the response to day-to-day emergency services. He can be called upon to provide advice and analysis and evaluation concerning protection of populations from natural and man-made environmental disasters. They also provide technical expertise to build, sustain, and improve indigenous capabilities to prepare for, protect against, respond to, recover from, and mitigate the effects of man-made or natural disasters.
