

Kevin Matson, MHA, FACHE
Market President, VP of Regional Hospitals
Northeast Georgia Health System

Kevin joined Northeast Georgia Health System (NGHS) in 2000 and during his more than two decades with the organization, he has served in a number of leadership positions involving patient access, safety, human resources, system service lines and hospital operations.

In his current role of Market President and VP of Southern Market, in addition to the day-to-day operations of NGMC Braselton and NGMC Lumpkin, Kevin oversees cancer services, orthopedics, home health, as well as inpatient and outpatient rehabilitation for the health system.

Kevin graduated magna cum laude from Brenau University with a bachelor's degree in Business Management and received his master's degree in healthcare administration from Ohio University. He is passionate about serving his local community through various boards and organizations. He is a fellow of the American College of Healthcare Executives and a board certified patient safety professional.
