

Matt Jernigan, MBA, FACHE is Director of Operations at Emory Healthcare Network. Emory Healthcare Network is a comprehensive, clinically integrated network of Emory Healthcare, providing access to coordinated care for patients. With 17 EHN designated hospitals, more than 4,500 physicians in more than 70 specialties, the network delivers care through a full range of hospitals, clinics and local practices. The Emory Healthcare Network includes more than 500 primary care physicians and more than 70 Peachtree Immediate Care locations.

An employee of Emory Healthcare for more than 20 years, Matt has been responsible for marketing, business development, contract negotiations, network development and network partnerships.

Prior to joining Emory Healthcare, Matt served as a Communications Manager at Northside Hospital in Atlanta. His responsibilities included physician, and employee communication as well as service line marketing.

Matt has a Master of Business Administration from The University of Georgia's Terry School of Business and a Bachelor of Fine Arts in Public Relations from Valdosta State University.
