

Rob Schreiner bio for ACHE Webinar

May 2026

rdas | work | biographical sketches | rob schreiner bio for ACHE, May 2026

Rob is a retired physician-executive who has worked for Kaiser Permanente (including President of the Southeast Permanente Medical Group), Huron Consulting Group (helping health systems transition from FFS to pre-paid healthcare), Studer Group (creating leadership training for physician leaders within the US) and Wellstar Health System (as President of the Wellstar Medical Group). He devoted his career to optimizing the interdependencies of operational excellence, financial reliability, patient experience, people development and community mission. In retirement Rob enjoys backyard beekeeping, cooking, gardening, caring for his 2-year-old Lagotto, learning new things and traveling with his wife Pattie.
