

WellStar Cardiac-Cerebrovascular Clinical Symposium: Bridging the Divide

Register:

[https://www.123signup.com/
register?id=rvrvm](https://www.123signup.com/register?id=rvrvm)

Cost – \$35.00

7:00 am – Breakfast

7:45 – Morning sessions

12:00 – Lunch session

1:00 – Afternoon session

4:30 – Adjourn

**LUNCH SESSION: Rural Health, Telemedicine:
Managing Acute MI and Stroke**

*David Hess, MD, EVP, Medical Affairs and Dean
Medical College of Georgia, Augusta University*

Jean Sumner, BSN, MSN, MD

Dean of the School of Medicine, Mercer University

ABOUT THE SYMPOSIUM

The First Annual WECAN meeting was uniquely conceptualized as a multi-disciplinary framework to address pertinent clinical topics managed at the intersection of cardiac and neurologic disease. Our highly-experienced panel will cover the management strategies of a wide array every-day clinical conundrums related to managing the stroke patient with concomitant cardiac pathology. We anticipate a lively discussion surrounding complex case reviews with audience participation. Physicians, Advanced Practice Providers, and other team members who care for cerebrovascular and cardiovascular patients will benefit from this conference.

- Session: Patent Foramen Ovale – Are We There Yet?
- Session: Unusual Causes of Stroke
- Session: Carotid Artery Revascularization – We've Got Options
- Session: Detection of Atrial Fibrillation for Cryptogenic Stroke
- Session: Atrial Fibrillation Management
- Session: Cerebral Neuroprotection

The Georgia Chapter of the American College of Cardiology designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This event also qualifies for 7.5 hours of ACHE Qualified Education CEUs.

JW Marriott: Buckhead ◆ Atlanta, GA ◆ October 5, 2019

Greetings from the Program

Program Committee

Rishi Gupta, MD
Amar Patel, MD, FACC
Arthur Reitman, MD, FACC
Kevin Wall, RN, BSN

Georgia Chapter, American College of Cardiology

Hank Holderfield, Executive Director
Melissa Connor, Assoc. Exec. Dir.

Dear Sir or Madam:

Welcome to the 2019 WellStar Cardio-Stroke Symposium: Bridging the Divide! This is our first symposium for Neurology and Cardiology. The Program Committee has worked hard to develop a curriculum encompassing relevant topics for your enjoyment.

Our one day format will have a moderated panel discussion followed by a case review and moderated commentary from our audience members. We hope this format will be exciting and informative.

Our six sessions will be:

- 1) Patent Foramen Ovale
- 2) Management of Atypical Cardio-Embolic Stroke
- 3) Carotid Artery Revascularization – We've Got Options
- 4) Detection of Atrial Fibrillation for Cryptogenic Stroke
- 5) Atrial Fibrillation Management
- 6) Cerebral Neuroprotection

Our goals for the Conference include:

- Provide a discussion on the management of challenging stroke patients secondary to a cardiac mechanism.
- Provide information that is relevant and practical to the care of our patients.

ABOUT THE SYMPOSIUM

The First Annual WECAN meeting was uniquely conceptualized as a multi-disciplinary framework to address pertinent clinical topics managed at the intersection of cardiac and neurologic disease. Our highly-experienced panel will cover the management strategies of a wide array every-day clinical conundrums related to managing the stroke patient with concomitant cardiac pathology. We anticipate a lively discussion surrounding complex case reviews with audience participation. Physicians, Advanced Practice Providers, and other team members who care for cerebrovascular and cardiovascular patients will benefit from this conference.

Our Program

Saturday, October 5

7:00 -7:45am

Breakfast, Registration and Exhibit

7:45 -8:00am

Welcome

John Brennan, MD, MPH

Executive Vice President, Chief Clinical Integration Officer
WellStar Health System, Marietta, GA

8:00 – 9:00am

Session: Patent Foramen Ovale – Are We There Yet?

Moderator: Amar Patel MD, FACC

Co-director, Structural Heart & Valve Center
WellStar Health System, Marietta, GA

Panel Discussion

- **A Pitch for PFO Closure**

Prad Tummala MD, FACC

Interventional Cardiology
Northside Cardiovascular Institute, Atlanta, GA

- **Not so Fast: Medical Management of PFO**

Fadi Nahab, MD

Stroke Quality Director
Emory Healthcare, Atlanta, GA

- **Controversial PFO Closure**

Arthur Reitman MD, FACC

Medical Director, Cardiac Catheterization Laboratories
WellStar Health System, Marietta, GA

- **Case Review of Complex PFO Cases**

(Moderator & Audience Q&A)

9:00 – 10:00am

Session: Unusual Causes of Stroke

Moderator: David Campbell, MD

WellStar Medical Group Neurocritical Care
WellStar Health System, Marietta, GA

Panel Discussion

- **Stroke Management in Infective Endocarditis**

Deepak Bhaskaran, MD

WellStar Medical Group Neurocritical Care
WellStar Health System, Marietta, GA

- **Fibroelastoma – Imaginary Cause of Stroke?**

Richard Myung, MD, FACS

Director, Cardiovascular Surgery
WellStar Medical Group, Marietta, GA

- **Rescue Therapy For Cardiac Procedures**

Ahmad Khaldi, MD, MS

Director, Cerebrovascular and Endovascular Neurosurgery
WellStar Medical Group, WellStar Health System, Marietta, GA

- **Case Review of Challenging Cases**

(Moderator & Audience Q&A)

10:00 – 10:30am

Break with Exhibitors

10:30 – 12:00pm

Session: Carotid Artery Revascularization – We've Got Options

Moderator: Rishi Gupta, MD, MBA, FANA

Director, WellStar Health System Stroke and Neurocritical Care
WellStar Medical Group, Neurosurgery, Marietta, GA

Panel Discussion

● **CEA for First Line Therapy**

Emily Lagergren, MD, RPVI

Vascular Surgical Associates, Marietta, GA

● **TCAR for First Line Therapy**

Shariq Sayeed, MD, FACS, RPVI

Vascular Surgical Associates, Marietta, GA

● **CAS for First Line Therapy**

Arthur Grigorian, MD

Director, Neurosurgery, Atlanta Medical Center
WellStar Medical Group, WellStar Health System, Marietta, GA

● **Management of Carotid Disease Prior to CABG**

Raisa Martinez, MD

WellStar Medical Group Neurocritical Care
WellStar Health System, Marietta, GA

● **Challenging Carotid Case Review**

(Moderator & Audience Q&A)

12:00 – 1:00pm

Rural Health, Telemedicine: Managing Acute MI and Stroke

David Hess, MD

EVP, Medical Affairs and Dean
Medical College of Georgia, Augusta University
Augusta, GA

Jean Sumner, BSN, MSN, MD

Dean of the School of Medicine, Mercer University
Macon, GA

1:00 – 2:00pm

Session: Detection of Atrial Fibrillation for Cryptogenic Stroke

Moderator: Michael Mendoza, MD, MPH

WellStar Medical Group Neurocritical Care
WellStar Health System, Marietta, GA

Panel Discussion

● **Non-invasive Monitoring MCOT vs. Event Monitor vs. Holter**

Mohammad Kooshkabadi, MD

Cardiac Electrophysiology
WellStar Health System, Marietta, GA

● **ILR Monitoring is Superior to Non-invasive Monitoring**

Bryan Piedad, MD, FACC, FHRS

Cardiac Electrophysiology
WellStar Health System, Marietta, GA

● **Challenging Cases Review**
(Moderator & Audience Q&A)

2:00 – 3:00pm

Session: Atrial Fibrillation Management
Moderator: Cesar Egoavil, MD, MBA, FACC
Cardiac Electrophysiology
WellStar Health System, Marietta, GA

Panel Discussion

● **Management of Embolic Stroke of Undetermined Source**
Nojan Valadi, MD

Director of Neurology and Stroke
Saint Francis Hospital, Columbus, GA

● **Watchman Device – Just for the High Risk Patient?**
Narendra Kanuru, MD

Director, Cardiac Electrophysiology
WellStar Health System, Marietta, GA

● **Timing of Anticoagulation After Intracerebral Bleeds**
Kumiko Owada, MD

Director Comprehensive Stroke Program, Kennestone Hospital
WellStar Medical Group Neurology
WellStar Health System, Marietta, GA

● **Challenging A Fib Cases**
(Moderator & Audience Q&A)

3:00 – 3:30pm

Break with Exhibitors

3:30 – 4:30pm

Session: Cerebral Neuroprotection
Moderator: Rishi Gupta, MD, MBA, FANA

Director, WellStar Health System Stroke and Neurocritical Care
WellStar Medical Group, Neurosurgery, Marietta, GA

Panel Discussion

● **Hypothermia for Acute Cardiac Decompensation (Cardiology)**
Salvatore Mannino, DO, FACC

Medical Director, Mechanical Circulatory Support
WellStar Health System, Marietta, GA

● **Hypothermia for Large Vessel Ischemic Stroke**
Christopher Horn, MD

Director Neurocritical Care, Kennestone Hospital
WellStar Medical Group Neurocritical Care
WellStar Health System, Marietta, GA

● **Cerebral Protection for Percutaneous Cardiac Procedures**
Arthur Reitman, MD, FACC

Medical Director, Cardiac Catherization Laboratories
WellStar Health System, Marietta, GA

4:30pm

Adjourn

SYMPOSIUM REGISTRATION

Registration for this meeting will be online. Registration will ensure you have a required badge for the Symposium.

Register Now at: <https://www.123signup.com/register?id=rvrvm>

SYMPOSIUM FEE:

- \$35 per person
- Includes Breakfast and Lunch

The conference registration desk will open Friday at 7:00am-5:00pm

SYMPOSIUM LOCATION: JW MARRIOTT, ATLANTA/Buckhead, GA
3300 Lenox Road, NE
Atlanta, GA 30326

Discover the perfect blend of service and location at JW Marriott Atlanta Buckhead. Situated in one of the city's most sought-after neighborhoods and attached to sophisticated shopping at Lenox Square Mall, our luxury hotel lets you easily explore all Atlanta has to offer. You'll find exciting nightlife within walking distance, and museums, attractions and famous landmarks just minutes away.

HOTEL ACCOMMODATIONS

\$124.00 Room Rate + tax

To reserve a room please call 404-262-3344 and ask for the WellStar Symposium room block. You will be asked to hold your reservation with a credit card.

ATTIRE

Business Casual attire is appropriate throughout the Symposium.

SPEAKERS

All speakers photos, biographies, lecture titles and objectives are listed on our website at www.accga.org for your review prior to registration.

COURSE OBJECTIVE

To update our members on the latest developments in general and interventional cardiology, and issues affecting our clinical practice.

CREDIT STATEMENT
