2019 GAHE Year in Review

2019 was another successful year for GAHE. At our November Annual Meeting, 2019 President Callie Andrews highlighted our key accomplishments for the year. Below is a brief summary of achievements:

- Continued strong programmatic performance in 2019 with an increase in average monthly attendance over 2018.
- Membership is up for the first time in 3 years.
- GAHE is in solid financial position; the balance sheet remains strong.
- Sponsorships are critical and were at an all-time high in 2019.
- Three of four performance targets were met or within reach by the end of 2019; GAHE is on track for a 2nd Chapter Excellence Award
- GAHE is recognized as a leader by ACHE, and that's due to the commitment and expertise brought forward by the Board and our committee members. They make the chapter operate smoothly and are the reason we are successful!
- GAHE's future in 2020 and beyond is bright!

See page 3 for highlights from the Annual Meeting.
