

William A. Watkins, MD, FACEP, CMO, Piedmont Henry

- William Watkins is the Chief Medical Officer of Piedmont Henry Hospital. He took office in August of 2019. He is a Board-Certified Emergency Physician and brings a foundation of over 30 years of bedside Emergency Medicine care and leadership to his new position. His undergraduate training in Mechanical Engineering at MIT continues to influence his approach to complex systems. Dr. Watkins is committed to providing excellent patient care through enhancing the relationships and interactions between medical staff and operational staff. Working together to conquer the barriers to excellent patient care is the path to success.
