

Iris Hamilton, RN, MPA

Executive Director of Health Care Management/Clinical Solutions Team, Anthem, Inc.

Iris Hamilton has over 25 years of clinical experience with over 19 years of Case Management/Utilization Review experience. She has been employed at Anthem, Inc. for 15 years in various progressive leadership roles.

She is a registered nurse and holds an undergraduate degree in Respiratory Therapy from Florida A & M University. She obtained her Masters of Public Administration from Troy University. She held several positions throughout her career with a focus on quality, management, patient advocacy, and clinical outcome improvement. Additionally, she was very instrumental in advocating for the passing of SB 166 Nurse Licensure Compact which allows Georgia to become a member of the Nurse Compact. This bill was signed into Law by Governor Nathan Deal on May 9, 2017.

She has been one of Anthem's Volunteer Days site lead for 5 years for the Atlanta market. She served on the Georgia Nurses Association's Board of Directors as the Legislative Director and Public Policy (2017-2019), Emory Legislative Nurse Council (2017-2019), Georgia Nurses Political Action Committee Board Treasurer and March of Dimes Executive Committee for the 2019 Nurse of the Year Program.
