

**Nicole Denham, MHA, RN**  
**Principal Clinical Consultant, COR Consultants**

Nicole is a founding partner of COR Consultants. Her passion for change and process improvement led her into the world of consulting. She has been able to work alongside healthcare leaders throughout the country to achieve their desired future state and has years of experience in strategic planning, clinical optimization, and training solutions.

Nicole received her BSN from Georgia State University and a Master's in Health Administration from Pennsylvania State University. Her 16-year nursing career began at a Metro Atlanta based hospital that she saw flourish into one of the largest Heart Centers in Georgia. Her career has offered varied experience in Cardiac Services, Critical Care Services, and Learning Resources. She spent several years managing teams and overseeing clinical processes within the healthcare system.

During her seven years as a consultant, Nicole has led engagements in a variety of public, private, and government healthcare organizations. Nicole believes in taking a collaborative approach to addressing challenges faced by our industry. As an active member of her community, she currently serves as the vice chair of the Georgia Association of Healthcare Executives Programs Committee. Nicole also serves as the codirector of career development for the Pennsylvania State University Alumni-Atlanta Chapter.
