

Finding An In-Network Doctor

Finding one online is fast and easy.

With Anthem's Find a Doctor online tool, it's simple to look for doctors who are part of the Anthem Blue Cross network.

Whether you're checking to see if a family favorite is in the network or looking for someone new, it's a snap.

1. Go to **anthem.com/ca**
2. Select Employers tab on the top Menu.
3. Under *Resources*, select Find a Doctor.
4. Under *Search as a Guest* click **Search by Selecting a Plan or Network**.
5. Choose "**Medical**" from the drop down box for "What type of care are you searching for"
6. Select your State from the drop down box in the next section
7. To select a plan/network:

For California:

Select **Blue Cross PPO (Prudent Buyer) – Large Group** from the drop-down list then choose **Continue**.

For All Other States:

Select **National PPO (BlueCard PPO)** from the drop-down list then choose **Continue**.

You can select additional search criteria, if you'd like, from the choices listed on the page. However, you **must** provide a city and state in the box "*Located near*" and choose **Search** to bring up a list of providers. **Again, you may narrow your options based on other search criteria such as distance, specialty, etc.**

To search for doctors, hospitals, and more from your mobile device, go to anthem.com/ca. You can also download the free app from the app store on your Apple or Android smartphone. Search Anthem Blue Cross from your apps store and download.
