Does this plan include help with work-life balance?	Yes. Our work-life balance employee assistance program (EAP) provides professional advice for a wide range of personal and work-related issues. The service is available to you and your family members 24 hours a day, 365 days a year. It provides resources to help you find solutions to everyday issues — such as financing a car or selecting child care — as well as more serious problems, such as alcohol or drug addiction, divorce or relationship problems. There is no additional charge for using the program, and you do not have to have filed a disability claim or be receiving benefits to use the program.						

The work-life balance employee assistance program is provided by Ceridian Corporation and is available with selected Unum insurance offerings. Exclusions, limitations and prior notice requirements may apply, and service features, terms and eligibility criteria are subject to change. The service is not valid after termination of coverage and may be withdrawn at any time. Please contact your Unum representative for full details.

The policy provisions may vary or not be available in all states. The policy has exclusions and limitations which may affect any benefits payable. For complete details of coverage, please refer to Policy Form C.FP-1 et al or contact your Unum representative.
