Comprehensive list of ACRES nature preserve rules

1. Nature Preserves that are open to the public are open dawn til dusk, every day.
2. Visitors use the nature preserves at their own risk.
3. Only foot traffic is permitted in the nature preserves.
 - a. No motorized vehicles, bicycles, strollers, scooters, horses (or other pack animals) are allowed in the nature preserves.
4. Visitors must stay on designated trails.
5. Dogs are permitted, always on leash.
 - a. All other domestic animals (except service animals) and livestock are prohibited.
6. All commercial activities*, including, but not limited to, photography, are prohibited within the nature preserves.
7. To balance our promise to preserve natural areas forever while encouraging human understanding and appreciation of this land, nature preserves *must remain undisturbed*. To safeguard the preserves' natural resources while ensuring human safety, visitors must **NOT**:
 - a. Remove, move, harm, collect, deface, destroy, or pick **any** natural objects including wildflowers, wildlife (birds, frogs, turtles, salamanders, etc.), trees, wood, plants, minerals, fossils, mushrooms, seeds, fruit, nuts;
 - b. Hunt, fish or trap;
 - c. Discharge firearms, bows, explosives, fireworks, or any weapons;
 - d. Litter (please carry out your trash);
 - e. Operate motor-driven airborne devices (drones, R.C. airplanes, etc.);
 - f. Swim, camp, climb or rappel;
 - g. Build a fire;
 - h. Create noise pollution
8. Other prohibited activities include:
 - a. Metal detecting
 - b. Paintball
 - c. Sledding
 - d. Boating or paddling
 - i. No boats, canoes, kayaks, or flotation devices
 - e. Adding plants or animals (alive or dead)

Occasional exceptions are made to the rules for scientific, educational, or other purposes. These exceptions must be pre-approved, in writing, by the ACRES Office.
