

MEENAKSHI DOND

CAREER COUNSELLOR
AND CORPORATE TRAINER

ABOUT

Meenakshi Dhondi Is a certified counselor with 20+ years of experience in teaching and harnessing young minds and guiding the students and professionals when they need it the most. She has worked with institutions of repute for Degree and Engineering.

These interactions over the decades have given her profound knowledge in understanding the challenging situations a student or professional goes through such as Exam phobia, Interview skills, peer pressure, etc., thereby suggesting necessary action to solace them.

She has to her credit the experience of workshops conducted for graduate postgraduate and FDP for teachers.

These practices have always been her passion and thereby to guide and advise students in choosing the right path that fosters personal transformation while creating an environment of self-motivation
