About

Walls have various narrations of their own. While they form the backbone of the overall interior architecture, they create dramas, renew charms and redefine outlooks.

At Excel we continually reinvent and reshape wallcoverings to set new trends in the world of interior art. Our products are an embodiment of highly creative and innovative thought with an expertise built over a period of more than two decades.

Ranging from the ethnic and arty to the most contemporary and off-beat types, we deliver a unique newness in all our offerings. Out here to transform wall statements and interior trends, we stand out in terms of customization techniques, collaboration platforms. and distribution networks.

Where refined textures shape unforgettable spaces

SURFACE STORIES

A curated journey of walls that whisper sophistication — from velvety charcoals to mineral greys, from raw stone finishes to fabric simulations. Each surface is a canvas, layered with depth and dimension, inviting light to dance and shadows to linger. Inspired by modern minimalism and timeless craftsmanship, this collection transforms walls into works of art — understated yet opulent, sleek yet soulful.
