linen library - drapes

The Linen Library Drapes collection presents a refined selection of dry, matte-finished fabrics designed with a modern, Scandinavian sensibility. This collection includes a geometric matte slub design that introduces subtle structure and pattern, alongside a beautifully blended melange texture that offers soft tonal depth. A raw matte stripe fabric brings a touch of casual elegance, while a fine all-over textured weave adds understated detail and gentle surface interest. Rounding out the collection is a richly tactile textile that enhances any space with its organic hand-feel and sophisticated look. Together, these drapery fabrics exude quiet luxury and are crafted for a fluid, graceful fall. Their neutral tones—Oat, Sand, Stone, Cloud, and Mushroom—allow for easy layering with sheers, upholstery, and embroidery from the same series, making this collection ideal for creating coordinated, serene interiors.
