# linen library - upholstery

The Linen Library Upholstery collection is a tactile exploration of form and comfort, featuring fabrics that bring depth, warmth, and resilience to any space. The collection includes a timeless herringbone weave that adds subtle character, a dual-tone wooly texture that offers plush softness with visual weight, and a chunky polka-dotted textile that introduces a hint of playful sophistication. Adding further dimension is a thick, bold checkered weave that anchors a space with structured comfort.

Crafted for both beauty and durability, these fabrics serve as the foundation of a well designed Room, ideal for sofas, chairs, ottomans, and accent pieces. United by their matte finishes and neutral tones—ranging from Oat to Mushroom—these upholstery fabrics seamlessly coordinate with the Linen Library's drapes, sheers, and embroideries, completing a harmonious interior palette.
