

RESCUE PETS SERVING VETS

We are a nonprofit organization focused on rescuing shelter pets, abandoned pets, and special needs pets. We work on providing necessary medical care, training and love in our foster homes.

Our ultimate goal is to home these pets with the right owner in either the general public or with veterans that need a special companion as a service or emotional support animal.

Meet Erica

Erica is a new arrival at our rescue. She is a 3-year-old spayed female mix. Erica is very shy and scared here at the shelter. She would really like to get out of our kennels. She is super quiet, chill and walks gently on a leash. She definitely needs time to get used to a new environment and feel more confident. No aggression whatsoever. We have never heard her bark. She has a beautiful medium soft coat. She wags her tail on walks! Call or text Casey at 570-441-0093. Benton, Pa
