**Maxum & Wubby** are 13-week-old kittens who have been raised in a foster home with other cats and 5 dogs since they were 4 weeks old. They are very well socialized! They are often found laying like this or with the dogs, when not being a feline scarf around their foster parents' necks & chest. While orange Maxum is more playful & vocal, sister Wubby is a demure, delicate princess. They would love to be placed together or at least with another friendly cat. They are FeLV/FIV negative, spayed/neutered, vaccinated & chipped.

While he may have the good looks of James Dean, this **Rebel** has a cause - to be adopted! This 2-year-old pitbull mix is a BIG boy, Rebel needs an experienced owner who can handle his size and energy. Though very sweet and affectionate, he lacks basic manners and is more puppy than adult. While our staff has been working with him on leash manners and commands, he will need continued training once placed in a home. Due to his size and energy, Rebel should not be placed with children under 10 years old. Rebel loves to play ball and play with other dogs. He is used by staff to socialize other dogs.
