## FOREVER HOMES

**Little Man** was left behind with his sister Shelby, when their owner moved out of their apartment. Ten month old Little Man is super social & cuddly. He's hoping to find a family that will love & cherish him forever. Little Man does great with the other cats, and would likely be good with cat-savvy dogs. Little Man is neutered, microchipped, vaccinated and FELV/FIV negative.

**Socks** is a sweet, 1-year-old Lab mix whose owners could no longer care for her. This sweet girl has the softest fur and the saddest eyes. She is a bit shy at first but once she warms up she's a sweetheart. Socks has lived with cats and is open to meeting potential canine siblings. Due to her size, energy & puppy-like tendencies, we will only place Socks in a home with older children. Socks is spayed, microchipped & vaccinated.
