Rory is a handsome gentleman with tons of personality! At 9-years-old he is always over-looked for being "too old" but Rory has so much life left to live. He loves to greet staff as soon as they arrive at the shelter. Rory always had a lot to say, loves to be pet, held and baby-talked to. Rory is FELV and FIV negative, neutered, microchipped and up-to-date on shots.

If interested in Rory, contact Brittany@nokillarc.org or call 570-784-3669 ext 2. To expedite your request, you can fill out a pre-approval on our website at www.nokillarc.org

Simeon is an estimated 2-year-old Pit mix. He is a small-sized dog weighting only 30-lbs. Still puppy-like, he is looking for an adopter to help polish his manners. Enthusiastic, playful and often adorably clueless, he has a big heart and tons of potential. Simeon needs a home without children, but is open to meeting canine siblings. He has been vocal in his kennel at ARC, but he just wants to be where the action is; loving up on his people at all times, who can blame him? Simeon would love a yard to zoom around in, or an adopter who can keep him active. Simeon is curious of other dogs at first, but seems to warm up quickly. A meet and greet is required for any potential canine

If interested in Simeon, contact at 570-784-3669 or email at Vicki@nokillarc.org.
