Vicki Drasher

It's been 12 months, 52 weeks, 365 days and 8,760 hours without you. One whole year without being able to call out "Meme," "Madre" and "Woman." Not a day goes by that you are not loved or missed. The world continues around us, but the emptiness you left will never be filled. You had big shoes to fill, and you were the best. You will be forever in our hearts and forever missed. Rest easy, and you will never be forgotten. Love you always and forever.
