

In Loving Memory of
David Cooke

12-02-53 to 10-13-18

We think of you every day and
want you to know
that you are loved and missed
and always a thought away!
We started missing you the
instant your were gone...
We keep loving you long after ...
The memories bring you back.
We'll also want to tell you
something so there won't
be any doubt -
You're wonderful to think of...
but so hard to live without.
***You are forever loved &
always in our hearts!***
