

# Lifesharing Opportunities

Shared Support, Inc. seeks caring families or single folks to provide support through our Life Sharing program. Would you like to have fun while sharing your life with someone with a developmental disability? Be a roommate either in your existing home or in a new residence.

Responsibilities include transportation, support with daily living skills, involvement in community activities, medical support, and lots of laughter! A generous monthly tax-free stipend of at LEAST \$2,000!

Opportunities in Northumberland and surrounding areas. A valid driver's license, reliable transportation, references, and background check required.
