## FOREVER HOMES

**Citrine** is a sweet and snuggly female cat that came to ARC as an injured stray. We aren't sure if Citrine was hit by a car or born with her condition, but her back legs don't work quite right. This condition does not slow her down at all. She's still able to get up and down steps and up into the highest spot in the cat trees. Citrine is healthy and uses the litter box with no problem. She is estimated to be about 2 years old, and has been at the ARC shelter for over a year. Citrine is spayed, microchipped and up-to-date on all shots. To add this loving girl to your family, fill out a pre-approval form at [nokillarc.org](http://nokillarc.org) or call 570-784-3669, ext 2.

**Cleo** is estimated to be a 2-year-old border collie/shepherd mix. Cleo is a petite/medium-sized dog at only about 40 lbs. She enjoys zooming around the yard and playing with her toys. She may take a little time to form trust with new people in the beginning, as she was brought to ARC as a stray, who was very nervous. Cleo can't be placed in a home with cats, and would do best in an adult only home. Cleo seems to do well with other dogs, and, with proper introduction, is open to meeting other dogs. A meet-and-greet would be required at our shelter for any potential canine siblings. Cleo is spayed, microchipped and up-to-date on all of her vaccinations.

If you are interested in adding Cleo to your family, please fill out a pre-approval form on our website: [www.nokillarc.org](http://www.nokillarc.org), or call 570-784-3669, ext 1.
