Geisinger

Because Deborah Linkiewicz lives on a fixed income, Geisinger Gold is the perfect health plan. The longtime Warrior Run resident says she appreciates Geisinger's Pennsylvania roots because “they understand local health needs.” For outstanding customer service and extra time with doctors, Deborah recommends Geisinger Gold to anyone over 65.

At Geisinger, our goal is to make better health easier. For Deborah — and for you.

Better health, easier.
