

FULL-TIME MAINTENANCE WORKER

First Keystone Community Bank, an independently owned community bank with over 160 years of experience in banking and serving our local communities, is recruiting a full-time maintenance worker. The ideal candidate will be a positive, pro-active, problem solving, team player, willing to hold themselves accountable. Duties include performing general maintenance of small office equipment and machines; minor plumbing, electrical and carpentry repairs; replacing light fixtures and bulbs; cleaning grounds and exterior of buildings; snow and ice removal; delivering or picking up items or merchandise; and performing general custodial and cleaning duties as directed. Applicants must have basic reading and writing skills; sufficient knowledge of and ability to perform general maintenance; the ability to lift objects weighing 50 pounds; and a valid driver's license.
