### HEALTH NOTIFICATION Are You Hard of Hearing?

- A major name brand hearing aid provider wishes to field test a remarkable new digital hearing instrument in the area. This offer is **FREE OF CHARGE** and you are under no obligation.
- These revolutionary 100% digital instruments use the latest technology to comfortably and almost invisibly help you hear more clearly. This technology solves the "stopped up ears" and "head in a barrel" sensation some people experience.
- If you wish to participate, you will be required to have your hearing evaluated in our office **FREE OF CHARGE** to determine candidacy and review your results with the hearing instruments with our specialist.
- At the end of this evaluation, you may keep your instruments, if you so desire, at a tremendous savings for participating in this field test. Special testing will be done to determine the increased benefits of this technology.
- Benefits of hearing aids vary by type and degree of hearing loss, noise environment, accuracy of hearing evaluation, and proper fit. This is a wonderful opportunity to determine if hearing help is available for your hearing loss and get hearing help at a very affordable price.
