

# Take 10 for healthier skin

## Geisinger

Your skin is your body's first line of defense. Keep it healthy with some preventive maintenance — or a closer look at any warning signs.

A skin screening only takes 10 minutes. And if you need a follow-up appointment, we can help with that, too.

Scan the QR code to register for our **free** adult skin screening clinic:

**Tuesday, May 13, 5:30 – 8 p.m.**

Geisinger Healthplex Woodbine  
16 Woodbine Lane, Danville  
Entrance A

**Arrive 10 minutes before your scheduled time.**
