

# PET Of The WEEK

## MEET **Austin**

This lanky, lovable pup is equal parts smart and silly. Austin is smart, curious, and full of life. He's always ready for the next adventure and loves to be a part of the action, but more than anything, he just wants someone to share it all with. Austin would be the perfect match for an active person or family who sees how special he is. He's open to meeting other dogs with proper introductions and would do best in a home without cats. He's also open to meeting dog-savvy teens.

Fill out a pre-application form on our website: [www.nokillarc.org](http://www.nokillarc.org) and come meet Austin today!
