

The family of **Stephanie Severn** would like to thank the staffs of Sunset Ridge Rehabilitation/Nursing Center and Compassus Hospice for their exceptional care while Steph was dealing with her health issues. She felt at 'home' especially with her roommate, Millie. Thank you also to the staffs of Allen Funeral Home and St. Columba Catholic Church for their compassion and support during our time of transition. Thanks also to her large community of friends for all your kind expressions of sympathy for the loss of our amazing Steph. Obviously, she had touched the lives of more people than we could have imagined. You all were very much appreciated.
