

Honoring the heart of healthcare

This week, we want to recognize the dedication and expertise of our advanced practice providers:

- Physician assistants
- Certified registered nurse practitioners
- Certified registered nurse anesthetists
- Certified nurse-midwives

These exceptional professionals are integral to delivering compassionate, high-quality care to our community. Their skill, commitment and heart make a difference every single day.

Thank you for all you do to improve the health and well-being of your fellow Pennsylvanians. Our community is stronger because of you.
