

# Robert Goddard Centennial Celebration Scavenger Hunt

Hosted by the Auburn Public Library

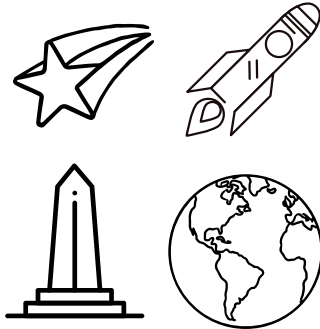

Earn a prize drawing ticket for each task you complete. You do NOT need to complete all tasks. Drawing tickets give you the chance to win a prize basket. There are prizes baskets for kids, teens, and adults!

**Task #1:** Go to the Auburn Historical Society & Museum (41 South Street, Auburn MA).

**Circle the picture to the right that you find in the window.**

*You can learn more about Auburn and Robert Goddard inside the museum!*

**Task #2:** Go to the Pakachoag Golf Course (15 Upland Street, Auburn MA). Look for the Goddard Launch Site memorial at the end of hole #9. The stone marker lists the date that Robert Goddard launched the rocket.

**Circle the date to the right.**

1924

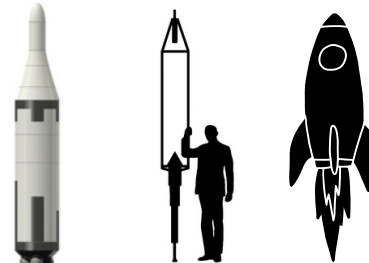

1925

1926

**Task #3:** Go to Robert Goddard Park in Auburn center (between the Fire Station & Library).

**Circle the image to the right of the new statue that was installed in 2025.**

**Task #4:** Go to the Auburn Public Library (369 Southbridge Street, Auburn MA). The librarians put balloons over the nonfiction books about outer space. **Circle the color of the balloons to the right.**

Red

Gold

Blue

**Task #5:** Task #5: Take a virtual visit to the EcoTarium's "Lift Off! Space Explorers" exhibit (scan QR code). **Circle the name of the exhibit below that features Robert Goddard's groundbreaking 1926 rocket launch.**
