#### **Notes:**

- If the flashlight does not turn on, please check batteries and battery case are installed with correct polarity
- The light works best in dark environment; the more dark it is, the better it works
- Can only spot dried urine stain
- Does not work on reflective surface or carpet with fluorescer
- For few dark color carpets, the reflected stain color will be very close to the color of the carpet, making it harder to see
- Does not work for the newest USD 100 note

#### **Caution**

- Not waterproof, please keep away from liquid or moisture
- Please do not shine directly into eyes
- Not a toy, please keep away from children
- Please use this product in line with the local laws and regulations

#### **Warranty**
