## RULES

Compose your Luck Poetry according to this format

7 letter title, 7 words per line (yes, the, a, an are counted as words), 7 lines per poem.

Each poem should have 49 words and a 7 letter title

Here's an example of Luck Poetry created by Billerica's very own William Libby

### Firefly

A million tiny lights in the sky  
Mixing with the cosmos, dancing and swaying  
Singing the most beautiful song without words  
A tiny glow matched only by stars,  
Taking you back to a different world.  
A summer night in a child's past.  
A night of dancing with the fireflies.
