

Gamer Guidelines

Welcome to the Library's Board Game Club! To make sure everyone has fun and feels welcome, we ask that all players:

Be Respectful & Welcoming

Speak kindly, listen to others, and treat fellow players with courtesy. Make space at the table for new players and help them feel welcome and included.

Be a Good Sport

We're here to have fun! Celebrate others' wins as you would your own. Keep conversations family-friendly and avoid aggressive comments.

Stay Engaged

Pay attention and be ready for your turn so the game moves smoothly for everyone.

Play Fair

Follow the rules of the game, and don't argue over outcomes. If there's a question, ask for a group decision or help from the host.

Be Patient

We all learn at different speeds. Allow time for others to think, learn, and enjoy the game. It's okay to offer help, but always ask if someone wants advice before giving it.

Let Us Know If Something's Off

Finally, if something's not fun or feels uncomfortable, please let the host or any Library staff member know. We're here to help!
