

Summer Library Crawl 2025

Looking for a fun way to explore your local libraries this summer?
Join the Summer Library Crawl, a self-guided tour
that turns visiting libraries into an adventure!

What's a Library Crawl?

Think of it as a literary road trip! Travel from library to library, meet the friendly staff, and discover all the awesome things each one has to offer.

The Challenge

At each library, snap a selfie with a designated item — it's like a 21st-century scavenger hunt! Then, post your pics and tag the libraries using **#mlncrawl2025** to show off your journey.

Perks Along the Way

Each library will have:

- Free handouts
- Fun giveaways and/or a special PRIZE when you show your picture to a librarian!

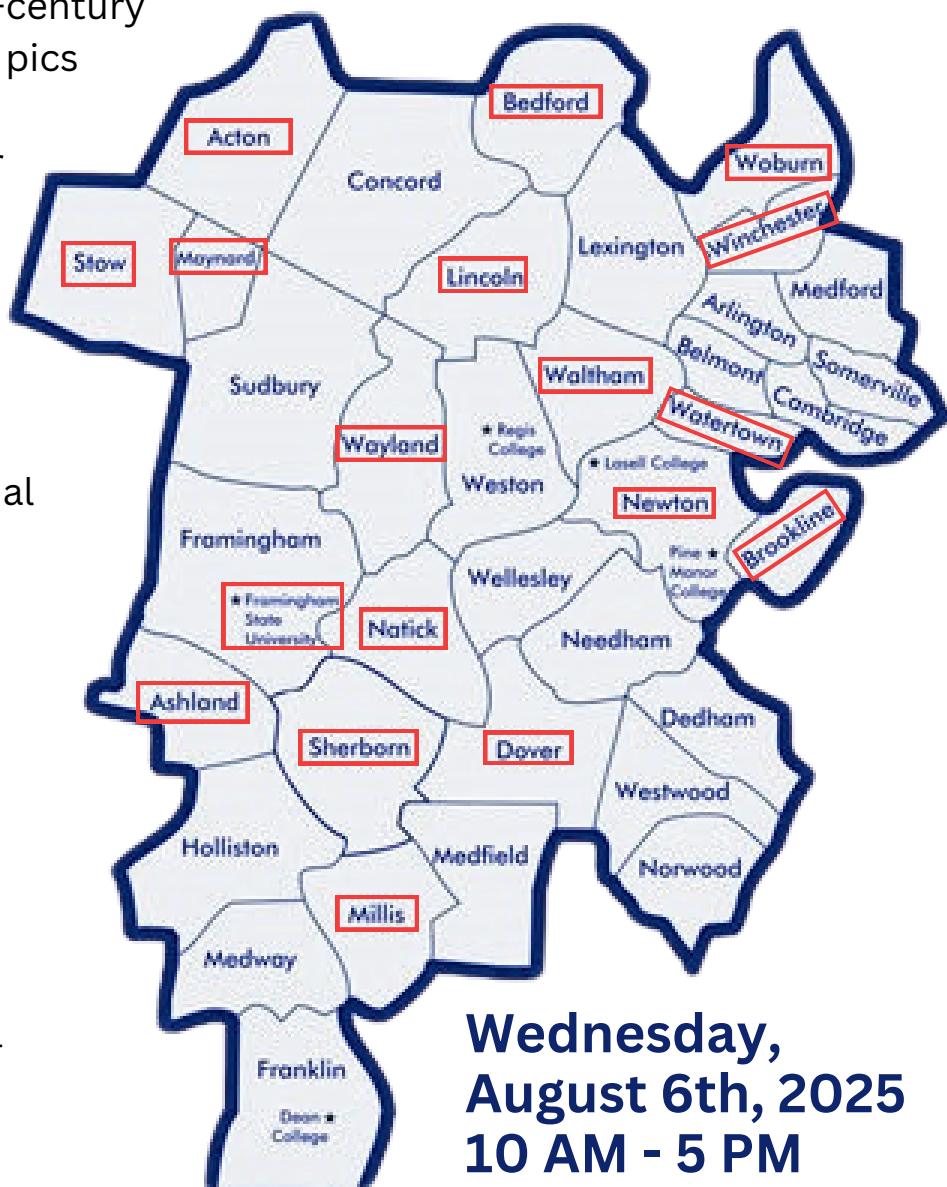

Collect as many as you can!

How It Works

- Start wherever you want
- Visit as many libraries as you can
- End whenever you're ready
- It's totally self-guided and all ages are welcome—kids, families, adults, everyone!

This is your passport with all the locations and the clues you'll need to complete your adventure. Use it to track your visits!
