FOR IMMEDIATE RELEASE:

New 500 Gallon LOX Trailer from Essex Industries

Saint Louis, Missouri – The new Essex 500 Gallon LOX Trailer is a mobile liquid oxygen storage tank assembly. Designed for the transport and storage of LOX at airbases and military installations, the 500 Gallon LOX Trailer provides a logistics solution for flight line LOX requirements.

The 500 Gallon LOX Trailer can be used with all Essex LOX converters, BMOS, BMOS-FS, MMOS, NPTLOX, PTLOX and 50 Gallon LOX Carts. A 500 Gallon LIN Trailer for the transport and storage of liquid nitrogen is also available.

Both 500 Gallon Trailers are qualified to Air Force PD13WRGRVEA05 and environmentally tested to MIL-STD-810.

Founded in 1947, Essex Industries is a leading supplier to the Aerospace and Defense market, providing platform controls, aircraft components, emergency breathing and liquid oxygen equipment. For more information on Essex products, visit www.essexindustries.com
