Helping to Ensure Air Mobility Effectiveness...

The Airlift/Tanker Association (A/TA) is dedicated to providing a forum for ensuring American military forces continue to have the Air Mobility capability required to implement U.S. National Security Strategy. International in scope, with members and chapters around the world, the A/TA is strong and growing.

Membership is open to all. Our primary members are Active Duty, Guard, Reserve and Retired Military members, both officers and enlisted, as well as government civilian employees and industry supporters of the Air Mobility Mission. The Airlift/Tanker Association is an education-based 501(c)(3) not-for-profit organization.

Membership Benefits
★ Free subscription to the award-winning Airlift/Tanker Quarterly (A/TQ), the Association oriented magazine, which contains up-to-date information on air mobility issues, articles of professional interest, reports on Association and Chapter activities and stories concerning the heritage of the air mobility mission.
★ Reduced cost for the Annual Airlift/Tanker Association and Air Mobility Command Symposium and A/TA Convention and Mobility Technology Exposition – the Air Mobility community’s premier annual event.
★ Enlisted members are eligible for the Enlisted Education Grant Program.
★ Participation in events sponsored by local Chapters. Association Chapters around the world provide many opportunities for social and professional interaction.
★ Networking opportunities.
★ Awards and heritage programs that recognize outstanding contributors to air mobility, past and present.

Association Management
The Airlift/Tanker Association is governed by a non-paid, volunteer Board of Officers consisting of a Chairman, President, Senior Vice President, Vice President Programs, Vice President Industry, Secretary and Treasurer.

The Board of Officers is assisted by a Board of Advisors comprised of active duty and retired Air Force and aerospace industry personnel.

Donate to A/TA
Your generosity helps sustain a variety of community outreach and professional development initiatives. The Airlift/Tanker Association is an education-based Section 501(c)(3) not-for-profit organization and your donation may qualify as a charitable deduction for federal income tax purposes.

Industry Partnerships

Airlift/Tanker Association Industry Partners receive the following benefits in exchange for their commitment:

- Reduced exhibit fees for exhibit booth space at annual convention.
- Preferred booth locations (opportunity to select specific booth location).
- Five individual annual memberships
- Company listing on A/TA website (with link to company description).
- All Industry Partners listed with company logo and description in convention issue of Airlift/Tanker Quarterly magazine (largest circulation issue of the magazine).
- Airlift/Tanker Quarterly magazine highlights one or more Industry Partners in a feature article in each non-convention magazine.
- Industry Partner News Page on A/TA website with links to product/company.

Our Industry Partner membership fees are among the lowest corporate membership fees in the defense industry. We give preferential treatment to our Industry Partners for a very simple reason: Industry Partners generate over 75% of A/TA’s exhibit fees annually. A/TA’s Vice President for Industry is committed to making sure each Industry Partner receives value for their commitment to A/TA.

Through our membership we:

- Provide an association through which men and women may unite to fulfill the responsibilities imposed on modern society by aerospace technology...
- Recognize services rendered by industry, military, and government personnel to air mobility activities in which the United States or its Allies have been or may become engaged...
- Promote scientific and academic research regarding the continuing development of our nation’s air mobility capabilities...
- Conduct and sponsor speaking engagements, seminars, symposiums, conventions and public forums that advance air mobility and community relations...
- Encourage young men and women to participate in air mobility activities and related aerospace functions...
- Support research and development of aerospace-related activities through scholarships and financial loans and grants.
- Facilitate and enhance our partnerships with industry to deliver world class Mobility capability.

Annual Convention & Symposium

Each fall, an Annual Convention brings members together for the annual Association business meeting and various social activities. A professional symposium, held in conjunction with the convention, features air mobility seminars and briefings held throughout the convention schedule. Conventions are highlighted by an impressive array of aerospace industry exhibits and displays.
