NCAA competition mats require a space of 5' from the edge of the circle to the edge of the mat. Starting size for high school competition wrestling mats is 38' x 38' with a 28' diameter circle. Collegiate wrestling mats range from 42' x 42' (32' diameter circle) to 52' x 52' (42' diameter circle)

## COLOR

An easy and effective way to incorporate your brand and school is by the color of wrestling mats. The type of traffic on your mat may help you narrow down your color options. Black can show footprints from your everyday footwear. Many of our customer wrestling training rooms circles colors on the floor mat is the same as the wall pads.

Digital printing can quickly add team spirit to roll-up wrestling mats and wall pads. AK Athletics printing uses eco-friendly UV cured inks for durability and long lasting vibrant color that is resilient to fading and scratching.

## **INSTALLATION**

Unlike our competitors, AK Athletics roll-up mats do not require a curing step and are immediately ready for grappling. A roll of clear mat tape comes with each order of wrestling or martial arts mats. The edges may slightly roll up but, over time it will flatten.

Our sales department is highly knowledgeable in wrestling mats and is happy to email you an estimate.
