

Measure + Install Folding Mats

ATHLETIC EQUIPMENT

Please contact customer service if you have any questions

sales@akathletics.com

For over 25 years, AK Athletics has been one of the top manufacturers for folding mats in the U.S.A. We leave our everyday customer blown away by the high quality and customer service. AK Athletics can provide you with wall to wall floor padding that is extremely easy to fold up and store off to the side. The velcro connector flaps have a snug, secure fit that holds while training. Contact one of our sales representatives with your room dimensions for a free estimate.

The intermediate and advance style gymnastic mats have velcro on the ends to connect additional mats to extend the run for tumbling and practice.

Impact Safe mats have velcro on all sides to expand mat coverage by width and length. The high absorbency of foam makes Impact Safe Folding Mats appropriate for defensive and tactical training techniques, takedowns.
