● No matter what his breed, no matter how fine his pedigree, any dog is a better dog when he has expert care and "every inch" nutrition.

Because GAINES is big in food values, little in cost and bother, it has been a favorite with breeders, veterinarians and handlers for more than 16 years. GAINES contains *meat meal*, cereals, milk nutrients, vegetable proteins, minerals and vitamins A, B₁, B₂, B₆, D, E, niacin and pantothenate.

GAINES is America's largest-selling dog food. *Gaines Food Co., Inc., Sherburne, N. Y.*

As much **carbohydrates** as in 2 qts. cooked oatmeal

AKC Dogs Know Their A, B, C's

YOU'VE got to hand it to AKC dogs—or to *any* dog, for that matter. They know their A, B, C's about good-tasting food. That's why so many dogs go for Red Heart 3-flavor Dog Food . . . with Diets A, B, and C (beef, fish, and cheese flavors) fed in rotation for stimulating taste variety.

Give your dog a break. Feed him Red Heart, America's most popular dog food. Or use the famous Red Heart Feeding Plan—equal parts, by volume, of Red Heart Dog Food, kibbled Red Heart Dog Biscuits, and water, milk, or broth. And for vigorous gnawing exercise, feed economical Red Heart Dog Biscuits.

PERVINAL

Pervinal is a scientifically compounded formula concentrating every essential vitamin and mineral now known to be needed in canine nutrition ... in a single, palatable, stable syrup. Add to dog's food, once daily, Pervinal helps round out war-time diets poor in vitamins and minerals.

NO FUSS, no mess, no mixing ... just add one teaspoonful of Pervinal per 25 lbs. body weight.

Effective, simple, economical for all dogs ... including pregnant and nursing bitches ... growing pups.

**YES! It's harder *Now* than
ever to get KEN-L-BISKIT**

*{ Here are the facts why you can't get
this famous food every time you ask! }*

● We're sorry if you can't get Ken-L-Biskit. But today, as never before in the past, we are experiencing an extremely acute shortage of essential food materials. We simply can't get enough of the vital supplies used in manufacturing Ken-L-Biskit. During the war, material was limited. Now the situation is more difficult than ever. And, of course, this favorite food has always sold out fast. So again we say: If you can't get Ken-L-Biskit, we're sorry; keep trying. We're making all we possibly can. And we hope it won't be long till Ken-L-Biskit will be easy to buy again.
