Purina Dog Chow is as nutritionally perfect as today's dog food can be... a real body-builder that helps develop sleek, glossy coats, bright eyes, pep, top show standards. Light, crunchy nuggets make dogs Eager Eaters, but not over-eaters.

Easy to feed at home or on show and trial circuits. Nothing to add... serve dry or moistened. Available wherever pet foods are sold.

OFFICIAL NOTICE

Additional Judges

Chapter 10, Section 14. The maximum number of dogs assigned to any judge in one day, exclusive of groups and best in show, shall never exceed 200; nor shall it exceed the number of advertised hours of the show's duration multiplied by 20, less one hour if the advertised hours exceed six. The advertised hours of a show's duration shall be the hours from the scheduled start of judging to the time shown in the premium list for the closing of the show.

When the entries have closed, if the entry under any judge exceeds the lower of these limits, the Bench Show Committee must select some other judge or judges to whom sufficient breeds or varieties (or at a specialty show, one of the sexes or varieties) can be assigned to bring the total assignment of every judge within the limits. Approval must be obtained from The American Kennel Club for each such reassignment.

Notice must be sent to the owner of each dog affected by such a change in judges at least five days before the opening of the show, and the owner has the right to withdraw his entry and have his entry fee refunded provided notification of his withdrawal is received before the opening of the show by the person or organization named in the premium list to receive entries.

Mr. James Trullinger will judge Afghan Hounds, Basenjis, Bloodhounds, Borzois, Dachshunds, Irish Wolfhounds, Rhodesian Ridgebacks, Bulldogs, French Bulldogs in place of Mr. Alva Rosenberg.

Pictures of the Siberian Huskies and the Sled Dog Team which will appear for the demonstration at this show.

THE SIBERIAN HUSKY

Origin and History of the Breed: The Siberian Husky is a native of north-eastern Siberia, particularly the area drained by the Kolyma River, where his strain has been kept pure for untold centuries. The Chuchi natives used their dogs, their most valued possessions, as guards for their possessions and as companions for their children, as well as for sled dogs, a fact which goes far toward explaining the Siberian's gentleness and great versatility. The first Siberians were imported to Alaska in 1909 for racing purposes; since then a large proportion of sled dog racing records in Alaska, Canada and the United States have been set and held by Siberian leaders and teams.

Character: Contrary to popular opinion, the Siberian Husky, like all true Arctic sled dogs, is naturally gentle and friendly in disposition. He is alert, intelligent and tractable, and may readily be trained for almost any kind of work. The Siberian is by nature almost fastidiously clean, and entirely free from the body odors that many dense-coated breeds have. Remarkable for his adaptability to all kinds of living conditions, a real Siberian Husky makes an ideal pet or companion in either country or city. The Siberian is rapidly endearing himself to dog lovers everywhere by his marked intelligence, gentleness and graceful beauty.

YESO-PAC TEAM

Most of these dogs are show dogs and are also on our racing team. Two are Champions of Record, one has 13 points and others with 5, 6 and 7 points.

We are justly proud of our dogs because they are true working dogs doing the job they were bred for and loving it. This year we invaded New England taking in three races in New Hampshire. The last one at Pittsfield, N. H. was the New England championship race and we carried the Rebel Flag to 3rd place in our class. This race was two days—16½ miles each day. Next year we hope to do better.

OFFICIAL NOTICE

Substitution of Judges

Chapter 10, Section 9—A bench show committee which shall be informed at any time prior to a week before the opening day of its show that an advertised judge will not fulfill his or her engagement to judge shall substitute a judge in his or her place, which substitute judge must be approved by The American Kennel Club, and shall give notice of the name of the substitute judge to all those who have entered dogs in the classes alloted to be judged by the advertised judge. All those who have entered dogs to be shown under the advertised judge shall be permitted to withdraw their entries at any time prior to the opening day of the show and the entry fees paid for entering such dogs shall be refunded.

Mr. Harry Peters, 17 Battery Pl., New York, N. Y. will judge Best in Show and Hound Group in place of Mr. E. E. Ferguson.

Mr. James Trullinger, Hotel Statler, New York, N. Y. will judge Beagles, Greyhounds, Whippets in place of Mr. E. E. Ferguson.

Mrs. Milton Erlanger will judge Poodles (Toy), Poodles (Miniature), Poodles (Standard) in place of Mr. E. E. Ferguson.

Mr. Rosenberg will judge Lhasa Apsos, Schipperkes in place of Mr. E. E. Ferguson.

Mr. Henry H. Stoecker will judge Belgian Sheepdogs, Bouviers des Flandres in place of Mr. E. E. Ferguson.
