How about a treat after the show?

Liv-a-Snaps treats,
made with *real* liver.

Char-o-Snaps
treats, contain 2%
activated charcoal.
They help keep teeth
and breath clean.

Chik-n-Snaps
treats, made with
real chicken.

All are sugar-free, and contain
no artificial flavor.
The real taste is why Snaps are
America's #1 gourmet treat.
For rewards . . . treats . . . or
snacks, get Snaps.

Dogs love 'em!

In Memory Of Gwendolyn M. Stevenson

Gwen was a good friend and a longstanding member of the Shasta County Kennel Club. She was a 24-hour Humane Officer of Shasta County and a dedicated dog fancier. As testimonial to her dedication to her own breed, the Australian Shepherd, Gwen was President of the Australian Shepherd Club of America for a number of years and authoress of "The Australian Shepherd's Origin and History."

Her faith in the Lord, her love of people, and her love of all animals made it a pleasure to be associated with her.

In fond remembrance we dedicate this 24th Annual All Breed Dog Show and Obedience Trial to Mrs. Gwen Stevenson.

Want a piece of the action?

Reducing your feeding costs is what the Purina Professional Courtesy Program is all about. Since the program's beginning, Purina has paid back over \$10 million to the more than 100,000 professional feeders who have participated.

You can get a piece of this action too! It's easy to participate. You do it every time you feed Purina. If you qualify as a professional feeder, we'll refund \$1.50 for every 100 pounds of Purina Dog Chow, High Protein Dog Meal, Chuck Wagon, or Purina Dog Meal you feed. And if you use Puppy Chow, we'll

double your refund. There's no limit. The more you feed, the more you get back.

Of course, you get more than money when you join the Purina Professional Courtesy Program. As a member you are kept aware of the latest nutritional facts and management information learned at the largest pet research center in the world...the Purina Dog Care Center.

Reducing your feeding costs with the Professional Courtesy Program is just one more way of showing you... there's more to Ralston Purina than dog food.

**When you add
a little of this,

**REAL
BEEF**

You've got a kennelful of meat-lovers. And there's nothing more likely to make them grateful than adding some ALPO to their dry.

ALPO Beef Chunks Dinner gives them what most other dog foods don't. Lots of real beef, plus hearty meat by-products. Soy for better balance. And vitamins and minerals to complement the nutrition of your present feed. You can also serve it as a complete ration straight from the can. Either way, don't champions like yours deserve at least a little ALPO?
